AA#4050: IL Performance Evaluation: Evaluator Initial Training & Retraining for Principals and APs

Beginning July 1, 2024, AA#4050 is the AA required to fulfill the Initial and/or Refresher training requirement for those that wish to obtain the credential to evaluate Principals & Assistant Principals, or for those that already have the credential & need to refresh to retain the credential. This is a two-day, in-person AA. Pre-work required for participants-Initial and Refresher.

This course requires participants to view teaching, record data according to the Professional Practice rubric, and craft evaluation conferences that are both constructive and supportive. Participants will also be expected to have a high degree of inter-rater reliability when they determine a final rating based on the evidence gathered during the observations.

AA#1801 Gathering Evidence During Observations & Conferencing Using the Danielson Model

Participants will be able to use classroom observation evidence as applied to a rubric to demonstrate a high degree of accuracy and consistency in ratings (Domains 2 & 3), calibrate evidence vs interpretation to control for bias and standardize teacher ratings, along with being able to apply conferencing skills to provide high-quality, targeted and actionable feedback to educators and calibrate accuracy of evidence collections, alignment, and ratings to insure consistency and inter-rater reliability.

This course focuses on Domains 1 & 4 and is intended for those administrators who have successfully completed Initial Teacher Evaluation required by ISBE. Participants will record data from a pre-conference, align data to the Danielson Framework (Domain 1), collaboratively determine ratings, observe post-conferences, evaluate teacher evidence, and align to the Danielson Framework (Domain 4).
