

Relationships in Leadership

Building (& Maintaining) Relationships in a Digital World

AA #4067 Dr. Ryan Wamser & Matt Weld

- Do you intentionally set aside time to build and maintain relationships?
- Do you find it challenging to create and keep relationships in a digital world?
- Does your staff understand the value of relationships and practice good relationship strategies?

In this **Academy Experience**, we will

- Review the 7 benefits of building relationships with all stakeholders
- Give real-world examples from Hollywood (and experience!)
- Provide strategies for connecting in our digital age
- Connect science, psychology, leadership, and education
- Have fun and network with colleagues
