

AA 3700: Fundamentals of HLS & Compliance

www.roe24.org

Okay, so maybe an Academy on HLS & Compliance might not sound totally enthralling, BUT... we make it enjoyable and even more important, very beneficial for all!

Comments have been:

- “Everyone needs to have this!”
- “We need to schedule you to do this again and get everyone here.”
- “This really helps make sense of it all. Thank you for doing this for us!”
- “This should be an ISBE Mandated Training!”

WHAT YOU GET:

- Useful documents & activities to assist in developing a practical understanding and in-depth working knowledge of the “Ins and Outs” of required processes.
- Get all stakeholders involved to develop a better understanding & practical working knowledge of the systems, including financial do’s, don’ts, hints & tips.
- Useful “takeback” summary/guidance documents & handbooks to help make sense of things.
- Deep dive into your current 10-year surveys & IWAS.
- Make sense of items, forms, processes, & requirements.
- Walk away with beneficial tools & a deeper working knowledge of HLS, Building Permitting, 10-year Survey, Compliance, & Amendment processes.
- Academy Credit or PD Hours

SUMMARY:

- This is an activity & collaboration-filled Academy.
- The purpose of this course is to provide Administrators & other school personnel with an in-depth look/discovery into topics related to HLS & Compliance.
- You will gain a better understanding of all things pertaining to you & related to the processes.
- Walk away with a number of helpful resource documents & strategies.
