These awards will be for the 2016-2017 school year. The deadline to submit applications is March 28, 2016. We would appreciate it if you would print and post some of these applications in a visible location. In addition, please make copies if needed and share them with any students that might be eligible for this award.

Last year \$60,000 in scholarships was awarded to students with physical disabilities enabling them to continue their education. To date over \$800,000 has been awarded through this fund.
