

# KENDALL COUNTY SHERIFF'S OFFICE LAW ENFORCEMENT YOUTH ACADEMY

## WHAT IS THE LAW ENFORCEMENT YOUTH ACADEMY?

The Kendall County Sheriff's Office Law Enforcement Youth Academy Program is a 8-week program designed for youth 14-18 years in age, who have the desire to learn about the law and are given the opportunity to interact with Sheriff's deputies, attorney's, special agents, judges, staff members, and elected officials.

The mission of the KCSO Law Enforcement Youth Academy is to offer the youth of Kendall County the opportunity to experience hands on methods and techniques in the profession of law enforcement.

Throughout this process, respect, self-discipline, integrity, and physical fitness will be stressed. The participants will also gain an understanding of community responsibility, problem solving, and the role of the public servant.

The KCSO Law Enforcement Youth Academy aims to guide the participants to a better path and future through training, leadership, teamwork, and a hands-on experience to assist others through community service.
